

Community Summary of Bungalow Flips

Follow The Money

We've taken a deep dive into the actual home-flipping activity happening recently in Calgary. This report includes **bungalow-style homes built between 1955 and 1970** that sold **at least twice** within a **3 to 18-month** time frame, where the **spread** between the price paid and the price sold was **at least \$100,000**.

What you see here is that filtered list, summarized by community and sorted in descending order by total deals.

Think of these numbers as a starting point.

Buy **under** the average bought price.

Sell **over** the average sold price.

Do it **faster**.

Choose great suppliers and tradespeople...

...and you can flip your way to **maximum profits**.
